

AI on the Edge!

Challenges and Solutions in Edge AI products

Raul Camposano & Moshe Zalcborg
Partners, Silicon Catalyst

Our Agenda

1. **"Quadric Processors for Edge AI"**
Steve Roddy, CMO, Quadric
2. **"Semiconductor Chips that Support AI for Smart Sensors and IoT"**
Alexander Timofeev, CEO, POLYN Technology
3. **"Evolving Edge – AI for Mission-critical applications"**
Mirko Prezioso, CEO, Mentium Technologies
4. **"Intelligence – no connection required"**
Chris Eliasmith, CEO, Applied Brain Research

Quadric Processors for Edge AI

Steve Roddy, CMO, Quadric

Semiconductor Chips that Support AI for Smart Sensors and IoT

Alexander Timofeev, CEO, POLYN Technology

Evolving Edge – AI for Mission-critical applications

Mirko Prezioso, CEO, Mentium Technologies

Intelligence – no connection required

Chris Eliasmith, CEO, Applied Brain Research
