

History Committee Report

Jim Leonard

I recently visited Southwest Research Institute (SwRI) as part of a Region 5 IEEE activity. I am the Industry Chair for Region 5. As part of the visit, the Region 5 IEEE members, Jim Leonard, Joe Redfield and Scott Atkinson, met with Walter Downing (SwRI COO) regarding Industry Relations.

As part of the meeting, it was decided that SwRI will apply for an IEEE Milestone. I will be working with SwRI on their application.
