It is our great pleasure to invite you to the IEEE International Magnetics Conference, INTERMAG 2023 which will be held in Sendai, Japan, on 15th–19th May 2023. The conference will be primarily in-person, with on-demand access to pre-recorded content provided afterwards.

INTERMAG is the premier international conference on all aspects of fundamental and applied magnetism. The conference will consist of oral and poster presentations, invited talks and symposia, tutorial sessions and exhibits. A “Lab Tour in Magnetism” is also planned, including visits to Tohoku University. With its world-class cluster of magnetics research facilities, Sendai is an ideal place for magnetics researchers to gather to discuss their work.

The conference will cover a wide range of topics, including spintronics, biomagnetics, electrical machines and power transformers, memory, data storage, sensors, hard and soft magnetic materials, and interdisciplinary and emerging topics.

INTERMAG 2023 offers the following Partner Support Opportunities
